

BACHELOR OF ART MANAGEMENT

TRANSFER GUIDE

Morton Community College Transfer Agreement

Shortly, you will be completing your education at Morton Community College and are now interested in continuing your education by enrolling in the Accelerated Degree Completion Program at Lewis University. You have the unique opportunity to transfer your Associate Degree to Lewis University in a smooth and seamless manner through the Transfer Agreement with Morton Community College. It is strongly recommended that you discuss your career and college plans with an advisor or counselor both at Morton Community College and Lewis University. This will ensure an accurate transition into the Accelerated Degree Completion Program.

Admission Requirements

- Should be 24 years of age.
- Have earned a minimum of 12 semester (18 quarters) hours of transferable credit at a regionally accredited post-secondary institution;
- Have earned a minimum of a 2.0 (4.0 scale) cumulative transfer GPA, based on all transferable courses to be considered for admission;
- Have at least 3 years of full-time work experience.

Credits earned through Portfolio Learning Assessment cannot be used for satisfying the transfer credit hour requirement for admission into an accelerated degree program. Business course grades of C or higher will be accepted for transfer into the major.

How to Enroll

- Complete the application at www.lewisu.edu/admissions/application.htm.
- Submit official transcripts for all college work and certifications. Transcripts should be mailed to:
Lewis University
Unit 621
One University Parkway
Romeoville, IL 60446-2200
- Meet with an enrollment representative from Lewis University for Orientation.

Advanced Degree Opportunity

Master of Science, Management

The Master of Science in Management degree is specifically designed to prepare individuals to assume management positions in the private and public sectors by offering a comprehensive program for proficiency enhancement in decision-making, human resources responsibilities and management skills. The program is designed for individuals from diverse undergraduate backgrounds and requires no prior academic business preparation for entry into the program.

MSM graduates will be able to:

- Integrate and apply management principles and skills to the management of people and resources within the economic/financial, technological, social, ethical/legal environments of an organization.
- Successfully apply creative, informed decision analysis to managerial decisions-making.
- Develop and implement management strategies to best achieve an organization's mission by recognizing trends and opportunities and evaluating alternative approaches.
- Appreciate the ethical and legal implications of their actions.
- Exhibit critical thinking and functional knowledge across business management disciplines.
