

# Lewis University College of Nursing and Health Professions Department of Graduate Studies

## Graduate Student Health and Clinical Data

Attached please find the required Health and Clinical Data forms, which must be submitted prior to beginning your clinical practicum in the Graduate Program in Nursing. It is the student's responsibility to submit *all* required information in a *single packet* to the Secretary of Graduate Studies (Unit 1215, Romeoville Campus) and to assure receipt of this information.

### Directions:

1. Review policy published in the Graduate Student Handbook and under Health Forms available on Blackboard at

<http://lewisuniversity.blackboard.com>.

Click on the tab marked **Program Information**. Click on **College of Nursing-MSN**. Then click on **Program Documents** on the left of the screen. There you will find various documents for graduate students including the **Graduate Student Handbook** and **Health Forms**.

2. Once you have reviewed the policy and are aware of your responsibilities, you may use the documents provided in this packet or download the forms from the blackboard page. However, all documents must be completed and submitted at one time in the envelope provided.
3. As you complete a document, sign the checklist on the front of the attached envelope.
4. When all documents have been included in the packet, submit the entire packet to the

Secretary of Graduate Studies in Nursing  
College of Nursing and Health Professions  
Lewis University  
One University Parkway, Unit 1215  
Romeoville, IL 60446

5. Verify receipt of the packet within one week of sending and assure completeness of requirements with the Secretary of Graduate Studies (815.836.5355).
