

Graduate Application CHECKLIST

Admission Statement

Graduate programs at Lewis University offer the prospective graduate student the opportunity to enhance his/her undergraduate degree by completing a career-focused program. It is expected that a candidate for admission to graduate study at the University was academically successful at the undergraduate level and is now ready to move on to a successful graduate-level experience. The University offers admission to the most qualified applicants into each program. Students are reviewed on the basis of profile material required for admission consideration. Admission is offered to the student whose profile most closely reflects the ability to succeed and the ability to contribute to, as well as learn from the team-focused experience. Space in each program is limited. Admission criteria and requirements are subject to change. All applicants must present evidence of a baccalaureate degree.
