Tuition Waiver Form

All full-time and part-time administrators, faculty, and staff of Lewis University, their spouses, and dependent children are eligible for the University’s tuition benefits as set forth in the current Human Resources Policy Manual and in the faculty handbooks of each college. Recipients of the tuition benefit are responsible to adhere to the policies published in the HR Policy Manual, Faculty handbooks, and the financial information in the Schedule Book.

Tuition Benefits may not be granted to those eligible students who do not make timely application for financial aid each year. The Free Application for Federal Student Aid (FAFSA) is completed at fafsa.gov. Recipients must maintain Satisfactory Academic Progress in order to maintain eligibility for tuition benefits.

A Tuition Waiver Form is completed once a year for the Academic Year and should be completed as soon as possible after registering for the first semester in the Academic Year.
