Bring the Theme to Life and Join Lasallians by Considering:

What do you need to do to be a citizen of the world?

What can you do to go beyond your borders – geographic or comfort zone – to serve others?

How can you grow stronger in your faith?

How can you overcome prejudice?

Is your heart open to consider a religious vocation if God calls you?

What does it mean to you to embrace diversity?

What are your essential, non-negotiable Lasallian values?

How can you be open to the ideas of others?

How can you overcome prejudice?

Do you think about how your decisions will impact others?

In what ways can you help your school to be a welcoming community?
