

Lewis University
Professional Licensure Disclosure
Combined Special/Elementary Education, B.A. & Letter of Approval

Lewis University has compiled the following resources to ensure students have information about educational requirements for professional licensure and certification in all U.S. states. The charts below provide links to state licensing agencies and boards of higher education, and reports whether Lewis’s programs in Combined Special/Elementary Education meet, do not meet, or it has not yet been determined if they meet licensure or certification requirements for each state.

The information below relates specifically to Lewis’s programs in Combined Special/Elementary Education. Requirements for teaching licenses vary by state. Additional training, field work, or examinations may be required. Students interested in becoming a licensed teacher in Illinois or another U.S. state or territory, should inform themselves about licensure requirements in the state or territory in which they intend to live and work.

State by State Licensure Requirements

The chart below details whether Lewis University’s programs in Combined Special/Elementary Education, if completed according to the requirements in the Lewis University Catalog, meet the licensure and certification requirements of the following States:

| State | Meets Requirements? |
|----------------|----------------------------|
| Alabama | Not yet determined |
