

## Lewis University

### Professional Licensure Disclosure

#### Doctor of Physical Therapy

Lewis University has compiled the following resources to ensure students have information about educational requirements for professional licensure and certification in all U.S. states. The charts below provide links to state licensing agencies and boards of higher education, and reports whether Lewis's Doctor of Physical Therapy Program meets, does not meet, or it has not yet been determined if it meets licensure or certification requirements for each state.

The information below relates specifically to Lewis's Doctor of Physical Therapy Program. Requirements to become licensed vary by state. Students interested in becoming a licensed Physical Therapist, in Illinois or another U.S. state or territory, should inform themselves about licensure requirements in the state or territory in which they intend to live and work. The Federation of State Boards of Physical Therapy provides information about state licensure that can be accessed at <https://www.fsbpt.org/Free-Resources/Licensing-Authorities-Contact-Information>.
