

Graduate Out-of-State Requirements

NC-SARA Compliance

**School Nurse (SN)
Non-Degree**

Under NC-SARA (National Council for State Authorization Reciprocity Agreements), institutions must disclose whether their programs are authorized for enrollment by students in each state and whether completion of the program meets the educational requirements for professional licensure or certification. The table below provides this information for the Lewis University **School Nurse (SN), Non-Degree**.

At this time, licensure for this program is approved for Illinois only.

For questions regarding enrollment authorization, licensure requirements, or program eligibility, please contact grad@lewisu.edu.
