<p>Tammy Duckworth (D-IL)</p> <p>Chicago Office</p> <p>Belleville Office</p> <p>Carbondale Office</p> <p>Rock Island Office</p> <p>Springfield Office</p> <p>Washington D.C. Office</p> <p><a href="#">Website</a></p>	<p>A select number of internship opportunities are available in my Belleville, Carbondale, Chicago, Rock Island, Springfield and Washington, D.C. Offices for qualified students. Internships are available during the summer, fall and spring semesters. This program is designed to enhance your participation in public service for the people of Illinois.</p> <p>Washington, D.C. interns will have the chance to observe the day-to-day operations of the United States Senate. Interns will be exposed to a fast paced and ever-changing environment. The Washington, D.C. internship is divided into five specialties: Legislative, Communications, Operations, Scheduling and Law/Graduate. Department assignments allow interns to gain in-depth knowledge of each function. In Washington, D.C., intern duties include, but are not limited to, attending committee hearings, tracking legislation, drafting press releases and attending meetings with constituents and interest groups.</p> <p>Illinois interns will gain first-hand familiarity with how elected officials help constituents navigate issues with federal agencies. Interns will experience how legislative activities impact the lives of constituents in their communities. Duties in state offices include, but are not limited to, assisting constituents with casework questions, attending meetings with Outreach staff and researching grant proposals.</p> <p>Application deadline for Summer internship: April 2</p> <p>Application deadline for Fall internship: July 2</p>	<p><a href="#">Application</a></p> <p>The Office of U.S. Senator Duckworth created a scholarship program to provide access to our internship programs to applicants who cannot afford to work without pay or who cannot otherwise afford the living expenses in the city where the internship is located. The Scholarship Program is available in the following Office locations: Belleville, Carbondale, Chicago, Rock Island, Springfield and Washington, D.C. Scholarships are limited to applicants who currently reside in Illinois or who previously spent significant time residing in Illinois. Scholarships are also reserved for interns who are able to work full-time (40 hours per week). Scholarships pay a salary of \$15 per hour. Applicants receiving funding through a third party program such as a university or nonprofit are not eligible for the scholarship program.</p> <p>The Office of Senator Duckworth Scholarship Program is intended for only those who could not otherwise afford to participate in a full-time, unpaid internship. The Office considers a financial need to exist in specific circumstances such as: when an individual is eligible for a Pell Grant; when an individual or a person claiming the individual as a dependent is eligible for an Earned Income Tax Credit; when an individual or a person claiming the individual as a dependent has an income at or below the federal poverty line; and other similar circumstances that may make an individual decline to accept an internship offer because the individual could not otherwise afford to intern with the Office.</p> <p>The Office can only provide a limited number of scholarships for individuals with financial need. The Office therefore requests that you do not ask for this certification if you do not have such a need. If you are interested in applying for the scholarship, please fill out the required information that follows the general internship application. Acceptance to internship program is not guarantee of funding. All internship applications will be evaluated independently. The application for the scholarship follows the general internship application.</p>

Scholarships are limited to applicants who currently reside in the 17th Congressional District of Illinois or who have previously spent significant time residing in the 17th Congressional District of Illinois. Scholarships are also reserved for interns who are able to work full-time (40 hours per week). Applicants receiving funding through a third party program such as a university or nonprofit are not eligible for the scholarship program.</p> <p>The Office of US Congresswoman Bustos Scholarship Program is intended for those who could not otherwise participate in a full-time, unpaid internship. The office considers a financial need to exist in specific circumstances such as: when an individual is eligible for a Pell Grant; when an individual or a person claiming the individual as a dependent is eligible for an Earned Income Tax Credit; when an individual or person claiming the individual as a dependent has an income at or below the federal poverty line; and other similar circumstances that may make an individual decline to accept an internship offer because the individual could not otherwise offered to intern with the Office. Veterans and others receiving Social Security disability payments are also considered eligible for the program.</p> <p>The Office can only provide a limited number of paid scholarships for individuals with demonstrated need. The office therefore requests that you do not ask for this certification if you do not have such need. Acceptance to the internship program is not a guarantee of funding. All internship applications will be evaluated independently from your certification of financial need.</p>
