The Success Program at Lewis University is designed to help students make a successful academic transition into college life and to continue that success through graduation. The program begins with an intensive, eight day, college preparatory “Bridge” program that takes place before classes begin in August and continues through the first year with ongoing mentoring and academic support services.

The following top five program initiatives are designed to help students make the most of their first year at Lewis University.

**Students who elect to participate in the Success Program will:**

1. **Successfully complete the Bridge to Success Program (August 12 – August 20, 2018).** As part of the Program, students become part of a community of learners who will explore the various dimensions and expectations of the college experience, discover key resources for college success, and meet faculty, staff and students who will accompany them on their college journey. Students will participate in academic workshops covering a variety of disciplines, including, but not limited to Math, Information Literacy, Reading, Writing, and Technology.

2. **Participate in a one credit hour, year-long (Fall 2018 and Spring 2019) seminar specifically designed for students in the Success Program.** Introduction to the College Experience (ICE) provides an opportunity for new freshman to engage in further self-exploration and to learn more about the college experience.

3. **Meet regularly with the Program Coordinator.** Students will meet with the Coordinator who will provide continuous guidance, academic coaching, mentoring, and support during freshman year. The Coordinator will then become a resource throughout the student’s academic career and beyond.

4. **Meet regularly with a Peer Mentor.** A Peer Mentor is a student who has successfully completed this program. He/she will provide guidance and support during freshman year. Peer Mentors share resources, offer college success tips and learning strategies, answer questions, and provide encouragement.

5. **Explore majors and careers during the first year.** Students will have the opportunity to meet with academic and career counselors to investigate their best-fit major. Admission into the Success Program does not guarantee admission into all majors/programs.

Please visit the Success website for more details, lewisu.edu/success
This agreement confirms your enrollment in the Success Program and must be submitted no later than Friday, June 30, 2018. In addition, Success students must submit the FAFSA and all necessary financial aid documents by Friday, June 30, 2018.

I understand that my admission to Lewis University is contingent upon successful completion of the Bridge Program. I further understand that if I am not meeting academic expectations as a student, Lewis University reserves the right to restrict and/or limit co-curricular activities in an effort to create a balanced social and academic life.

☐ Yes, I intend to enroll at Lewis University for the 2018-2019 school year with on-campus housing.
Please submit $200 deposit to cover the required $100 tuition deposit and $100 housing deposit.
The housing application should be submitted through the myLewis student portal. Login information is enclosed.

☐ Yes, I intend to enroll at Lewis University for the 2018-2019 school year without on-campus housing.
Please submit the required $100 tuition deposit.

Please submit your check or money order made payable to “Lewis University” and be sure to include the student’s name and student identification number on the check.
