**Welcome to Albuquerque** – [www.visitalbuquerque.org](http://www.visitalbuquerque.org)

At the heart of New Mexico beats the pulse of a vibrant city. In Albuquerque, [diverse cultures](#), [authentic art](#) and dynamic traditions have helped shape our centuries-old story. No matter your interests, the city has countless opportunities for you to explore. Sample traditional [New Mexican cuisine](#) that takes minutes to make and hundreds of years to prepare, experience [world-class museums](#), stroll along Central Avenue under the vintage neon glow of [Route 66](#), or soar high above the city in the [hot air ballooning](#) capital of the world — a sight sure to change your perspective.

Immerse yourself in our painted skies, abundant space and more than 310 days of sunshine, which make it possible to [ski the slopes](#) of the Sandia Mountains and play a round at one of our award-winning [golf courses](#), all in the same day. Albuquerque is an oasis in the high desert, full of rich history and inspiring ideas. [Plan your trip today](#)

## *Lewis Albuquerque Campus*

The Lewis campus has become an iconic landmark in the heart the city's Uptown center. The beautiful classrooms and academic setting are walking distance to movies theaters, shopping malls, restaurants, nightlife, parks and a city metro bus stop in front of the campus. Beautiful weather, stunning landscapes, diverse cultures, and amazing food are why this campus location is the idea place to get your education and earn your degree. Apartments, houses for rent, and extended stay hotels within 3 miles of the campus. Numerous employment opportunities being developed and all within 5 miles of campus. The city enjoys 310 days of sunshine, blue skies, low humidity, dry climate and four distinct seasons, is why Albuquerque and New Mexico have become known as "The Land of Enchantment".

### **Housing**

#### **Off campus housing**

Numerous apartments and housing options are close by the campus, check out links below. You will be responsible for finding your off-campus housing, but we have many resources to help you search for housing in the local community.

International students also have the option to live with an American host family. Host families offer students many different types of living environments, including with families, retirees, singles, single parents, and families with children. Homes are screened by a local homestay provider to ensure safety and quality. All families provide a private bedroom and two meals per day. Most homes are located less than 15 minutes from campus.
