

Graduation Processing & Policy May 2024 Graduation Candidates

The Office of the Registrar is responsible for the review, certification, and maintenance of academic records for all Lewis graduates.

Graduation—degree conferral—is the official process of degree certification that is noted on your transcript and diploma. The below information includes your graduation processing schedule and relevant University policy.

Your campus ceremonies will take place in May 2024. Our office will coordinate details and resources regarding upcoming events that include graduation, cap & gown, ceremony, and diploma.

Communications—use of your **Lewis student email** is required

Electronic communications comply with our Office of Technology policy and are directed to your **Lewis student email address**. Messages continue through Summer 2024, so please check for emails from the Office of the Registrar.

For graduates, the diploma will be mailed through the United States Postal Service (USPS) **only** to the address specified on your graduation application. We are unable to mail the diploma to an international address. If changes are made, you must update the address in your portal AND send an email to registrar@lewisu.edu from your Lewis student email. You can choose to have your diploma mailed to the Office of the Registrar. All address changes are due by **May 17, 2024**.

Graduation Eligibility & Degree Works (DW)—check your DW; direct questions to your advisor or chair

Maintaining graduation candidacy, and degree certification, directly relate to your **DW** audit found in your *myLewis* portal under **Resources – Records and Registration – Degree Works**. Every section and requirement must show as being fulfilled, and any deficiencies will prevent degree certification. Questions and concerns should be directed to your advisor or program/college administrator. If you will not meet degree requirements this term, you may withdraw your application through registrar@lewisu.edu.

Diploma Name

Lewis University will use the legal name on file for the diploma name and commencement booklet. If you need to make changes to your legal name, please email registrar@lewisu.edu with the Change of Name form and submit documentation to have your name updated. If you have a preferred first name, please email registrar@lewisu.edu regarding the preferred name process. All changes should be submitted prior by **April 11, 2024**. Any request submitted after **April 11, 2024** may not be reflected on commencement material or the diploma.

Important University Policy

•Graduation Status in Degree Works (DW)

◇ ‘*Applied—review with advisor*’ shows the initial Graduation Status when you apply, and reminds you to meet with your advisor to confirm that degree requirements will be met this semester. All DW audit requirements should show as clear; any deficiencies must be resolved with your advisor or program administrator.

◇ Prior to the degree conferral date, the Office of the Registrar will assess each record, and the graduation status will be updated. All candidates must have a DW graduation status of ‘*Clear Pending Final Grades*’ or ‘*Cleared for Graduation*’ by **April 11** to maintain candidacy, have ceremony eligibility and have your name printed in the commencement booklet.

- Candidates with clear graduation status
ALL requirements listed within your audit must be fulfilled by the end of the Spring 2024 semester. If you make any changes to your registration after your initial audit is conducted you should review with your advisor on how these changes could impact your eligibility for graduation.
- Candidates without clearance
Missing requirements identified in your Degree Works audit—such as prior incomplete grades, missing documents, Comprehensive Examination, etc.— **need to be resolved by April 11** to maintain graduation candidacy.

◇ Previous semester Incomplete (I) grades not changed by April 11 will prevent graduation eligibility.

•Bachelor degree candidates—128 minimum hours, University Honors policy

To qualify, a recipient must have earned a minimum of 56 hours at Lewis, not including credits earned by exam or prior learning assessment. (*Lewis University online Catalog 2023-2024 > General Information > Graduation*). An honor designation noted at the commencement ceremony may not be the same on the final and permanent record.
