Lewis was founded in 1932 as an aviation technical school, when visionaries recognized the impact commercial air travel would have on the world.

This spirit of innovation and forward thinking has propelled Lewis to become one of the leading mid-sized, Catholic universities in the country.

As a comprehensive university, we are big enough to offer you the opportunities and resources of a larger university... yet small enough to give you the personalized attention and guidance you need to achieve your future success.

At Lewis, our students Soar to New Heights, fully prepared for future success as reflected by our graduates’ 97% career placement rate.
Higher education is the most important investment you will make in your future. We honor your commitment by providing a lasting education that will launch you toward success today and the careers of tomorrow.

When you earn a degree at Lewis, you will develop the qualities employers are seeking:

- An ethical framework for decision making
- Teamwork and leadership capabilities
- Global awareness and understanding
- Ability to think critically and solve real-world problems
- Enhanced technology skills

From microprocessors to embedded computing devices, laptops to supercomputers, our Computer Engineering degree students gain the expertise necessary to help invent the next generation of computing.

Higher education is the most important investment you will make in your future. We honor your commitment by providing a lasting education that will launch you toward success today and the careers of tomorrow.

When you earn a degree at Lewis, you will develop the qualities employers are seeking:

- An ethical framework for decision making
- Teamwork and leadership capabilities
- Global awareness and understanding
- Ability to think critically and solve real-world problems
- Enhanced technology skills

NO LIMITS

With ongoing advances in technology, engineering and artificial intelligence, your dreams for your future should have no limits. Lewis is committed to helping you get there.
BECOME A MASTER LEARNER

Many of the most in-demand careers of today did not exist 10 years ago. Lewis continuously develops new programs to support the careers of tomorrow. Data analysts, drone pilots, cyber security and forensics are just a few examples.

Innovative, forward-thinking programs and experiences prepare you for the careers of today and those to come. We’re focused on preparing you for your first career out of college as well as for your career at age 30, 40, 50 and beyond.

At Lewis, we develop “master learners” – graduates who have the long-term ability to adapt and thrive with the changing demands of the workplace.

Many colleges will offer you a degree. We offer an empowering experience that will keep you on the forefront as a highly skilled and continuously growing professional.

BECOME A MASTER LEARNER

Cadaver Lab

The Lewis cadaver lab has taken the Functional Human Anatomy Laboratory class to a new level. Our students are able to gain invaluable experience with the human body.

A RICH TRADITION

When you attend Lewis, you become part of a global Lasallian network of more than 60 universities worldwide that will always be with you.

Patron Saint of Teachers

Saint John Baptist de La Salle is the Patron Saint of Teachers who founded the Christian Brothers more than 300 years ago.

Today, the De La Salle Christian Brothers and our faculty continue the tradition of preparing students for life, work, and service to a global society. Our primary focus is on improving society through education and teaching.

Our faculty are industry professionals who know how to teach and will share their experience. We know there is more than “textbook” learning and they will show you how to ask questions, do research, and apply knowledge to solve real problems.
BREAK NEW GROUND

Become an expert in your chosen field of study, and gain mastery of the most relevant tools and skills needed for success.

Develop the critical thinking, decision-making, teamwork and communication skills valued by employers.

From day one, you’ll quickly become involved in your major coursework and have opportunities to work on real-life issues, both in and out of the classroom.

Celebration of Scholarship

Our annual Celebration of Scholarship showcases hundreds of Lewis students’ research projects and academic experiences.
LEARN BY DOING

With small class sizes of 15-30, students at Lewis receive personal attention from faculty who are experts and practitioners in their field.

These interactions provide you with hands-on learning experiences and deep relationships with faculty that will shape your personal and professional endeavors.

The classroom is just the beginning of your Lewis experience. Through simulations, class projects, research in partnership with corporations, clinical experiences, volunteer programs and internships, you will have opportunities to experience the world of work beyond your graduation.

You will have opportunities to push your limits, test your boundaries and become your best self. Even better, our size means you will be an active participant... not just another student in a large lecture hall classroom.

lewisu.edu/nursing

Top 10 Nursing Program in Illinois

Lewis University’s Bachelor of Science in Nursing program was ranked in the Top Ten Nursing Programs in Illinois.
MULTIPLE CULTURES. ONE COMMUNITY.

In a world full of differences, our multicultural community comes together as one Lewis family. Here, you are a valued member...not just a number in the crowd.

You will benefit from opportunities equivalent to a much larger university, but at a place where you can be actively involved. You will discover passions you never knew you had.

As a campus resident or commuter, life at Lewis will surround you with friends, fun and endless opportunities.

BIG BROTHERS BIG SISTERS
For more than 15 years, Lewis has partnered to mentor at-risk children in grades 1-5.

BOLIVIA MISSION TRIP
Sucre, Bolivia is an annual experience which is part of the larger Joliet Diocesan University Mission trip. Service includes education and medical help to orphanages, daycare centers and hospitals.

HABITAT FOR HUMANITY
Students, faculty and staff help build homes.

CATHOLIC CHARITIES’ HEAD START PROGRAM
University Ministry along with nursing students and faculty put together a health education program for Spanish-speaking families in the region.

lewisu.edu/welcome/facts.htm
We know that a big part of your college experience should include events and activities where you can enjoy your surroundings and friends. Lewis offers more than 100 student organizations and clubs for you to get involved with.

lewisu.edu/student-services/fitnesscenter
Lewis is one of the most competitive NCAA Division II universities in the country. In fact, just last year alone, Lewis University teams won 4 Regional Championships and produced 5 All-Americans.
Our Flyers Get Hired program will work with you to develop your “professional self.” With more than 40,000 alumni, you will have great networking connections.

Our Annual Career Expo brings over 100 employers to campus each spring to interview students. Direct access to internships and jobs throughout the Chicago area will give you a competitive edge.

DID YOU KNOW?

- 300+ Employers Recruit Students & Alum Annually
- 40+ Police Chiefs Nationally are Lewis Alumni
- Recent Grads Have a 97% Placement Rate
- STEM Grads Command Highest Starting Salaries
- 1.5+ Million Pilots & Technicians Needed By 2035
- Lewis’ Alumni Network Numbers More Than 44,000

lewisu.edu/gethired
AN IDEAL LOCATION

The Lewis main campus in Romeoville is a picturesque 410-acre suburban setting just 35 miles southwest of the world-class city of Chicago.

Lewis University is a veritable arboretum with more than 2,400 trees in addition to wooded areas.

Endless Opportunities

Just 35 miles southwest of Chicago, you will have access to museums, cultural resources, internships and job opportunities.

Burnham Centennial Nature Trail

This 2.2 mile trail offers a passage to nature. Students can enjoy a relaxing walk or a quick paced run in a section of campus dedicated to the wild and natural history of Illinois.
Attending college is an investment of time and money. We realize that. It is part of our Lasallian tradition to remain affordable and accessible to a diverse student population.

A LIFETIME OF BENEFITS

A Lewis education pays dividends for a lifetime. Your degree from Lewis will start you on a path toward:

- Higher salary
- Greater job satisfaction
- Career advancement
- Success in graduate school
- Stronger purpose and meaning in your life, career and community

In addition, Money Magazine named Lewis nationally as "One of the Best Colleges for Your Money."
YOU CAN AFFORD LEWIS

Many schools on the surface may appear to be less expensive than Lewis. Our impressive combination of scholarships, grants and financial assistance can often make Lewis more affordable than a state university.

WE ARE YOUR PARTNER

98% of Lewis students receive financial aid.

$25,000
The average freshman at Lewis receives more than $25,000 in financial assistance each year.

$50 MILLION
The total amount of scholarships and grants awarded by Lewis each year.

SEEING IS BELIEVING

As soon as you step foot on our campus, you will immediately see why Lewis is one of the best private universities in Illinois.

The Right Size

With 6,400 undergraduate and graduate students, Lewis University is the seventh largest private, not-for-profit in Illinois.

State-of-the-Art Science Center

Lewis’ Science Center integrates laboratories, spaces for undergraduate research, as well as gathering spaces that foster collaborative learning and greater faculty-student interaction.

Gaffney Student Center

This dynamic new facility in the heart of campus is a focal point for students, faculty and staff. The Student Center is named in honor of President Emeritus Brother James Gaffney, FSC.
YOU ARE INVITED

CAMPUS VISIT DAYS

You are cordially invited to attend an upcoming Campus Visit Day! When you do, you will understand why so many students choose Lewis University as their college.

• Take a campus tour with a current student
• Learn about scholarship opportunities and the financing of your education
• Meet with a professor
• Learn more about our unique offerings

OCT 19, 2019
NOV 16, 2019
DEC 7, 2019
APR 18, 2020

INDIVIDUAL VISITS

A personal meeting with an admission counselor and a student-guided tour of campus. Monday-Friday 8:30 am-5 pm and on most Saturdays from 9 am-noon.

TRANSFER SATURDAYS

A condensed program with information on degree programs, the transfer admission process, credit transfer and scholarship opportunities.

RSVP

Schedule your visit to Lewis today. We cannot wait to meet you!
